Thank you to all of our amazing volunteers for your continued support! Your time and efforts are very much appreciated. Please see our upcoming workshop dates below.

**LOCATION**

Currently, all tasks are handled in our workshop, at Pacific Pipe & Oakland, CA Pacific Pipe is the big green building next to the American Steel Co. If you come to the intersection of Mandela Pkwy and 20th St, you will notice 20th St comes to a dead end. Here we have signs pointing to a large entry door. Once you enter, our workshop is located about halfway thru the building.

**CONSTRUCTION**

Light Construction
Sanding, painting, and putting the finishing touches on the homes with interior design (No power tools)

Heavy Construction
Sawing, cutting, nailing, putting the homes together (prior construction skills preferred)
